Efficiency at every angle

About Us

Founded in 2018, Xenco is a multi-disciplined, specialist service group that delivers executive and operational level support to businesses seeking significant improvements in productivity, efficiencies and company profitability.

With access to business acumen and decades of front-line experience in heavy industry, Xenco has the knowledge, passion and agility to tackle any business challenge.

We are strategic problem solvers, trusted to tackle complex business challenges across industries and borders. With a proven track record of delivering commercial value, we take pride in driving meaningful outcomes for clients.

Our strategy assistance service is rooted in real-world operational experience, commercial insight, and an ability to align internal performance with external opportunity.

Our Approach

We bring a strategic lens grounded in operational reality. Our team has supported businesses across commodities, regions, and regulatory environments.

Whether your business is scaling up, entering new markets, diversifying operations, or repositioning in response to market change, we offer the clarity, structure, and support to help you move forward with confidence.

We believe strategy should be clear, actionable, and resilient. Our approach combines deep analysis, structured facilitation, and practical implementation support to ensure plans deliver measurable outcomes.

Industry Insight

Our team brings real-world leadership experience - giving us a practical understanding of what drives performance in capital-intensive, high-risk environments.

Clarity on Decision-Making

We help clients navigate uncertainty by applying structured, evidence-based frameworks to critical business decisions.

Value-focused Strategy

Our strategies are built to deliver impact where it counts, translating boardroom decisions into measurable, on-the-ground outcomes.

Future-ready Solutions

In today's dynamic market, agility matters. We guide clients in exploring future scenarios, preparing for disruption, and designing strategies that are resilient and adaptable.

Our Service | Strategic Advisory

Effective strategy is about looking both inward and outward. We guide you through framing key decisions, exploring the sources of your value creation, forecasting a variety of potential futures, and testing strategic pathways. We guide clients in clarifying their direction, framing critical decisions, and aligning leadership around high-impact goals. Our strategy support balances big-picture thinking with practical execution, enabling clients to move confidently in dynamic environments.

Enterprise Strategy Design

We work closely with leadership teams to define purpose, shape strategic direction, and establish a clear set of performance outcomes aligned with business ambitions.

Opportunity & Risk Mapping

Through comprehensive environmental scanning and stakeholder analysis, we help clients understand the forces influencing their position, and how to respond with clarity and confidence.

Contingency Planning

We help clients evaluate multiple futures, assess resilience, and prepare informed responses to emerging risks and opportunities.

Execution Roadmaps

We turn strategy into action through structured implementation plans that outline key phases, milestones, and ownership.

Our Difference

What sets us apart is our ability to bridge strategy and execution. Our team combines board-level strategic insight with hands-on operational experience, giving you advice that is both visionary and practical.

We don't deliver generic plans; we create strategies tailored to your unique challenges, opportunities, and operating environment. Every engagement is grounded in:

Real-World Context

Informed by decades of experience across commodities, geographies, and regulatory frameworks.

Collaborative Design

We work alongside your leadership team to align priorities and gain commitment from the outset.

Actionable Recommendations

Structured implementation support that converts strategy into measurable results.

EXPERIENCE | LEADERSHIP | INSIGHT
